Lots of our people enjoyed a day at the Peaks of Otter last Saturday. Most everyone made it to the top and I'm sure that accounts for the sale of liniment being up. Everyone enjoyed the fun and fellowship along with the lovely scenes God has created this time of year in the mountains.

Please remember the following in prayer this week: Buddy Hackett, Barbara Guthrie, Mickey Higgins, Linda Shoupe, Ellen Nash, as well as many unspoken request that only the Lord need to know.

Verse for the week:

I Corinthians 1:21 For after that in the wisdom of God the world by wisdom knew not God, it pleased God by the foolishness of preaching to save them that believe.

THE TIME IS NOW!

The 1980 election:

Why is it the most important vote you will ever cast? Who will you choose? Carter? Reagan?

The candidates have spoken. Now you must decide.

Will it be a future of scarcity and sacrifice, or of hope and promise? The choice is yours. Make it wisely. Make it Reagan & Bush.

What is your answer to these questions . . .

THE ECONOMY

Must you and your children prepare for a future of less as envisioned by President Carter? Must you accept scarcity, and sacrifice, and shortages, and inconvenience as a way of life? Or do you believe we can achieve prosperity for all Americans?

Can you continue to survive 18% inflation, a crushing tax burden, and 20% interest rates, or is there hope for a better tomorrow?

Will you or your children join the ranks of the 8 million unemployed or will you have job security in a growing and expanding economy.

FOREIGN POLICY

Are you satisfied with Jimmy Carter's indecisive and weak foreign policy? Must we face crisis after crisis in an unstable and troubled world? Or is it time to return America to a position of respect? Time to make America great again?

Are the Carter policies of weakness and appeasement the road to peace, or do you agree with Ronald Reagan that the only road to peace is through strength? Do you agree with Ronald Reagan that it is time to rebuild our defense capability?

On Tuesday, November 4, you will make a decision which will affect you and your children for the rest of your lives.

Your choice, four more years of Jimmy Carter or a new start with Ronald Reagan, is crucial.

We, the undersigned citizens of Appomattox County, Virginia, hereby authorize the Times-Virginian to publish our names endorsing the Reagan - Bush campaign for the Presidency of the United States of America.
